WELCOME TO AMBERFIELD COLLEGE!

Dear Parents and Guardians

Welcome to Amberfield College. Amberfield College is part of the Royal Schools family. This family was born in 1993 as one of the first affordable private schools in South Africa, and 30 years later there are 13 schools on five campuses, with more than 6394 learners and 421 staff members.

Amberfield College offers affordable, world class private school education. We achieve this through our experienced management and committed staff in a convenient location and safe environment. This beautiful school with its state-of-the-art facilities opened its doors for the first time in 2019 with 807 learners and has grown to over 1780 learners.

At Amberfield College our behaviour is aligned with our values of putting People first in everything we do; living with Integrity by doing what we say; Persevering to always finish what we start; and always striving for excellence in everything we do. At Amberfield College you and your child are part of our family. We undertake to not only equip your child with knowledge and skills, but also to prepare them for the world out there by teaching them the values and behaviours that will make them outstanding citizens, not only of this great country, but of the world.

Nelson Mandela, the father of our nation and one of the greatest leaders of all times, said the following: "Education is the great engine of personal development. It is through education that the daughter of a peasant can become a doctor; that the son of a mineworker can become the head of the mine, that a child of farmworkers can become the president of a great nation. It is what we make out of what we have, not what we are given, that separates one person from another."

We look forward to welcoming you as part of the Amberfield College family, where we foster your child's future.

*Kind Regards,
Dr B. Fourie*

I am aware that the school also reserves the right to charge interest on all overdue accounts at a rate of 1% per month and that should my school fees be in arrears, the school reserves the right to deny my child(ren) access to aftercare, transport, trips and outings and school functions. I am aware that school fees are payable annually in advance, but can be paid in monthly or quarterly installments as published and should I at any stage be in arrears with the monthly or quarterly payment, the total fees for the year will immediately become payable and that the school reserves the right to not accept a registration on the basis of affordability, academic and disciplinary record and incomplete application. I am aware that the school has the right to request upfront payment of the January school fees to reserve space for the following academic year.

MERIT AND DEMERIT POLICY

The main purpose of the Demerit system is to incentivise learners to behave in line with the PIPE values and thereby creating a culture of discipline and a value-based school. The main purpose is not to punish negative behaviour.

The demerit system works as follows:

- Learners start with 0 points
- All Violations and Recognitions are logged on the conduct list (d6 Plus)
- Recognitions and Violations not logged on d6 Plus will not be considered
- Recognitions are given for positive actions for example: Assisting Educator
- Violations are given for misconduct for example: Homework not done
- Recognitions and Violations are indicated separately on the Conduct Report of the learner.
- Some conducts are only for informative reasons for example "Informed parents about concerns regarding academics"
- The learner attends detention should the Violations reach **-50** or less.
- Once the learner has attended detention "Detention attended" is added automatically to the Violations column to reduce the negative marks.
- Where a learner does not attend detention without a valid reason "Bunking Detention" will be added as a Violation.
- Should the Violations again reach **-50** or less the learner must attend detention for a second time
- Once the learner has attended detention "Detention attended" is added automatically to the Violations column to reduce the negative marks.
- If the Violations of the learner reach **-50** or less for the third time the parent(s) must be called in for a "Disciplinary Discussion". The learner must attend detention for a third time.
- For certain serious Violations a Disciplinary Discussion or Disciplinary Hearing could be held immediately
- Should the Violations of the learner reach **-50** or less for the fourth time a Disciplinary Hearing will be held
- The Disciplinary Chairperson will decide on the appropriate outcome and sanction which could include, but is not limited to: Suspension, Conditional Admission, Counselling, Written Warning, Expulsion with Notice or Immediate Expulsion.
- Should the Violations total reach **-350** or less before the end Term 3 a Conditional Re-Admission letter will be issued to the learner indicating under which conditions the learner will be allowed back the following year. If these conditions are not followed the following year, the learner will attend a disciplinary hearing and could be expelled. However, in the case of Expulsion before the end of the previous year, no notice will be given and the punishment will be effective immediately.
- If there are serious transgressions for example the possession of drugs, the learner will be suspended until a disciplinary hearing is held. The outcome of a serious transgression could be immediate expulsion.
- For certain transgressions a learner will be suspended until the Disciplinary Hearing and if the sanction is suspension for the learner, the days the learner was suspended until the hearing will be subtracted from the total number of days for which the learner is suspended
- Parents can at any time request a copy of the Code of Conduct Report of a learner
- A summary of the Code of Conduct Report will be e mailed to all parents once a term.
