## Primary School

Welcome back after the long weekend. We trust you had a well-deserved break with family and friends. However, it is now time for our learners to put their noses to the grindstone as we reach the final stretch of teaching and learning before the Mid-year examinations begin.

Just a reminder that the examinations will be written from **2 June to 14 June** 2023. Examination timetables and a memo containing important exam information was sent home with the learners. Please familiarise yourself with the information contained therein.

### School Times:

We are following the new closing times as from this week. Please refer to the memo sent on Wednesday, 26 April for the revised times.

### Grade 4-6 Mathematics Olympiad:

Our learners participated in the Mathematics Olympiad. All the learners in the grades participated in round one and the Top two learners per grade were selected to participate in Round 2. On the 4 May 2023 six of our learners took part in round 2 of the Math Olympiad held at Uitsig Primary school. Our learners did us proud and Amberfield Primary School placed in the Top 2 in each grade.

Grade 6 - Julian Visagie & Tahish Singh

### Result:

Grade 4 - 2nd place - Boipelo Mogale

Grade 5 - 1st place Noah Berry

Grade 6 - 2nd place Tahish Singh

Well done to all our learners. We are very proud of all of them.

### Subject Spotlight:

Afrikaans lessons on a Friday at Amberfield College is the place to be ever since Mrs Hoeksma declared Fridays in her class to be "Liedjie Vrydag"! Learners and the teacher herself, have a ball jiving to the latest Afrikaans "treffers", while learning about Afrikaans culture and learning to expand their Afrikaans vocabulary. Just another way that we make learning fun at Amberfield Primary School!

### Learner Appreciation:

The Gold Rhino of Mapungubwe was performed at the SA State Theater in Pretoria on 26 – 30 April 2023 by Mzansi Ballet. The Gold Rhino of Mapungubwe was about celebrating a precolonial South Africa and Africa. Our very own Thato Monakgisi (Grade 6) and Aobakwe Mokoena (Grade 8) were part of this magnificent performance under the Mzansi Ballet Junior Company. Thato Monakgisi has been studying ballet since she was 2 years old. We look forward to hearing more about her achievements and wish her all the best in her dance career. We are proud of you, Thato!

Kind Regards and Amo
