Public Speaking and Debate Festival 2023:

The Culture Department of Amberfield College had their first festival and it was met with rave reviews and the greatest highlights were the undeniable talents of our children...

A big congratulations goes out to all our Public Speaking and Debate learners, and their mentors, Mrs Botha and Mrs Farmer for Primary school and Mrs Pieterse and Ms Matebula for moulding the aspiring speakers. Our learners did an excellent job in compiling their speeches and presented them with perfect cadence and utter zest!

To all our learner supporters and parents, it was wonderful sharing this beautiful experience with you all... We look forward to exploring many more cultural occasions with you.

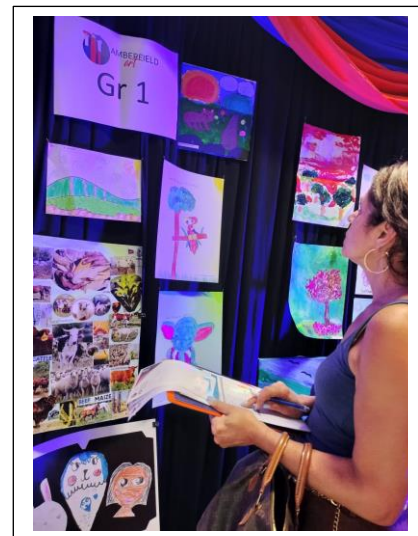

Art and Photography Exhibition 2023:

This year's exhibition produced some of the finest art that wowed both judges and viewers alike. The learners have grown in such great intensity and the quality of their work was impeccable. Our art and photography teachers;

Ms Ramesar, Ms Khomotso, Mrs Solomons, Ms Haughton,

Ms Pienaar and Ms Herzog have done an incredible job in aiding our young Picasso's to express their creative visions fiercely.

We simply cannot wait to see what visual feast we are treated to next year and thank you so much parents for applauding our artists so boldly at the exhibition! See you again next year...

Kind Regards and Amo!
