30 YEARS OF QUALITY PRIVATE EDUCATION

11 April 2023

Dear Staff, Parents and Learners.

As we begin Term 2, I wanted to take a moment to express my gratitude to all of you for your continued support and dedication to our school.

I am incredibly proud of the hard work and achievements of our students, staff, and parents during the previous term. Together, we have demonstrated resilience, perseverance, and adaptability in the face of our challenges.

As we start the new term, I am reminded of the famous quote by Nelson Mandela, "Education is the most powerful weapon which you can use to change the world." Let us continue to work together to ensure that every learner can unlock their potential and make a positive impact in the world.

I am excited about the opportunities and possibilities that lie ahead of us in the new term. We will continue to prioritise the physical safety and emotional wellbeing of our learners and staff while providing a high-quality education that prepares our students for success in the future.

I encourage every one of you to approach this new term with enthusiasm, positivity, and a growth mindset. Let us embrace the challenges and opportunities that come our way and work together to make this term a success.

Thank you again for your continued support and commitment to our school. I look forward to another term of learning, growth and success.

Yours sincerely, Dr B Fourie
