

MANAGING DIRECTOR NEWSLETTER

30 YEARS OF QUALITY PRIVATE EDUCATION

January 2024

Dear Parents & Guardians,

To all our parents and learners, welcome back to school! I hope this letter finds you well-rested and rejuvenated after a delightful festive season. As we embark on a new year in 2024, I extend my warmest greetings and best wishes to each and every one of you.

The start of a new academic year is a moment filled with anticipation, excitement, and endless possibilities. It is a time when we come together to learn, grow, and create lasting memories. Our dedicated school and staff have been preparing diligently to provide your child(ren) with an enriching and nurturing environment that fosters both academic excellence and personal development.

We are committed to maintaining the high standards of education and instilling in our students the values of People, Integrity, Perseverance and Excellence. We believe that with the right blend of support and challenge, our students can achieve remarkable things.

I want to express my gratitude for your continued trust and support. Together, we can make this academic year a resounding success. Your involvement and encouragement play a crucial role in our collective journey toward excellence.

As we embark on this exciting chapter, I wish each learner all the best in their endeavours for 2024. May you embrace every opportunity for learning and personal growth. Here's to a year filled with accomplishments, discoveries, and the joy of shared experiences!

Our theme for 2024 will be #StrongerTogether. Embracing 'stronger together' emphasises the power of unity and collaboration. Whether among individuals, communities, or nations, the collective strength that arises from our diverse contributions exceeds our individual capabilities. This ethos celebrates diversity, mutual support, and shared commitment to our common goals.

Welcome back to the family once again! Let us make this academic year one to remember.

Yours sincerely, Dr B Fourie
