

MANAGING DIRECTOR NEWSLETTER

30 YEARS OF QUALITY PRIVATE EDUCATION

July 2024

Dear Parents and Learners,

Welcome back to the third term of our school year! I trust that you all had a restful and enjoyable winter holiday, filled with warmth and family time. We are excited to continue our journey of learning and growth together.

This month is particularly special as we celebrate Nelson Mandela Month, a time to honour the legacy of a remarkable leader who dedicated his life to the service of others. Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world." As we return to our studies, let us be inspired by his words and strive to make a positive impact in our own community.

In honour of Nelson Mandela Day on 18 July, our school will be participating in various charity projects. These projects are designed to foster a spirit of giving and community service among our students. We believe that engaging in these activities not only honours Mr. Mandela's legacy, but also instils important values of empathy, kindness, and social responsibility in our learners.

We encourage all parents and learners to get involved in these projects and to contribute to making a difference in the lives of those less fortunate. Detailed information about the specific projects and how you can participate will be shared by the school in the coming days.

Thank you for your continued support and dedication to our school community. Let's make this term a time of learning, growth, and positive action.

I would like to leave you with the words of Mahatma Gandhi 'The best way to find yourself is to lose yourself in the service of others.'

Yours sincerely, Dr B Fourie

MANAGING DIRECTOR AMBERFIELD COLLEGE
