30 YEARS OF QUALITY PRIVATE EDUCATION

June 2024

Dear Parents and Guardians,

I am delighted to share some exciting news with you. Our group of schools, renowned for providing quality, private, and affordable education for the past 31 years, has reached another significant milestone. We have recently established a new head office where all our centralised services, such as Finance, Debtors, Marketing, and Human Resources, are now operating from.

This new venture is a testament to our ongoing commitment to improving our services and ensuring that we continue to meet the needs of our school community effectively. We also believe that this development will empower us to live up to our purpose statement: "every child matters". We believe that this centralisation will enhance our operational efficiency and allow us to serve our parents, learners and staff better.

If you have any queries regarding outstanding school fees or need to discuss financial matters, you are welcome to contact our head office at 087 654 3029 or by sending us an email at debtors@amberfieldcollege.co.za. Our Debtors department is also ready to assist you at our new offices where we warmly welcome you to visit us and experience first-hand, the dedication and support we offer.
