30 YEARS OF QUALITY PRIVATE EDUCATION

May 2024

Dear Parents and Guardians,

As we approach the halfway mark of the academic year, I am pleased to announce a short midterm break for our learners and staff from 1 to 5 May 2024. This break comes at an opportune time, just before they start preparing for their midyear exams.

The purpose of this break is to allow our students to rejuvenate and recharge, ensuring they are mentally and physically prepared for the challenges ahead. During this break, I encourage you to support your child to create a balanced schedule that includes both rest and study time ahead of the midyear exams.

To our learners, I wish you all the best with your exam preparation and exam time. Remember, that your hard work and dedication will pay off, and that our staff will be there to support you every step of the way.

To our parents and guardians, thank you for your continued support and partnership in your child's education. Together, we can help them to achieve their full potential.

To our valued staff, I would like to take this opportunity to thank you for your hard work and dedication to give life to our belief that **EVERY CHILD MATTERS!**

John F Kennedy said that "Children are the living messages we send to a time we will not see."

Let us invest our time and effort in every child to ensure a better future for our families, our communities, our country and the world.

Yours sincerely, Dr B Fourie
